Harry Jones, Rural Mail Courier For Many Years, Honoured By Patrons

On Friday evening, May 30th, 1969, River Valley School House was filled to capacity with patrons of R.R. 4, Stirling, to show their appreciation to Mr. and Mrs. Harry Jones. Mr. Jones had been their mail courier for the past 43 years.

Many former patrons and members of the Post Office staff, along with the new Postmaster, Mr. H. Wall, and former Post Master, Mr. Fred Houchin, also the new couriers, Mr. W. Murdock and Mr. Stan Ray, joined the group to honour the courier who had served them so faithfully, so friendly and so long.

Mr. Fred Heasman capably filled the office of chairman. Mrs. Phil Conley, as pianist, led the programme opening with "O Canada", followed by words of welcome and introduction by the chairman. Mr. Jack Bush and Mrs. Conley led in community singing.

Several musical numbers were furnished by Mr. Rodger Reid, at the piano; Mr. and Mrs. G. Vardy and Mrs. Glenn Clarke, with instruments and singing, which all enjoyed and appreciated. Little Danny and Dale Clarke, accompanied by their mother, Mrs. G. Clarke with the guitar, delighted everyone with their singing.

An appropriate reading "The Mail Box" was read by Mrs. Douglas Sine, Some humorous comments were given by Mr. Dave Hollinger.

Mrs. Roy Bush narrated briefly the story of R.R. 4, Stirling, which started April 23, 1913, with Mr. Alex Rodgers as first courier. After his death, enroute one morning, Mr. Hiram Rodgers finished his term. Mr. McCaw and Mr. Byron Bradshaw acted a short time and then Mr. Charlie Bailey, who was followed by Harry Jones in 1926 until April 22nd, 1969. Mr. Stan. Ray, of Holloway, has now accepted the position.

The history of the route from horse and buggy days, changes in the kind of mail carried with the introduction of so many pensions, forms and advertising and daily papers almost got to a discussion.

Mrs. Bush also gave same interesting facts, such as the first clay letter in 5000 B.C., the growth of the mail carrier in war and peace, the need and introduction of the post offices, stamps, the first stamp in Canada in 1851, and first air mail, etc. She also related briefly the change that was effected by railroads, stages, wars, planes, the Confederation, up to the modern day speed and growth.

Before Mr. and Mrs. Jones were called to the platform to receive their gifts, the Post Office staff, new courier and Mr. Wall were introduced.

Mrs. Ernest Carr read a very fine address of appreciation, telling of Mr. Jones' services to all and telling of his service in the two World Wars, with Mrs. Jones carrying on during his absence, and the always ready help of the family. Mr. D. Hollinger, Mr. Ed. Heasman, Mrs. Doug Scea and Mr. Ernest Carr presented Mr. and Mrs. Jones with a large platform rocker, a floor lamp, an engraved plaque and a small purse of money.

Mr. Jones expressed his appreciation and Mr. Jack Bush, Reeve of Sidney, brought greetings to the family in a few well chosen words.

All engaged in a social visit while lunch was served and enjoyed.

The following address was read by Mrs. Ernest Carr:

Dear Mr. Jones and your faithful helper, Mrs. Jones:

It is with regret that we learn that you, who have been our faithful mailman for the past forty-three years has decided to retire.

Hello Mailbox

What do you have for me today?
Some magazines — a bill to pay?
A letter from a far-off friend,
A package labelled "Do Not Bend"?
A loyal pal you surely be
For all you really ask of me
Is that I clean snow from your feet
And dab on paint to keep you neat.
Sometimes I fear I do get mad
When offered, in pouring rain, an ad.
But bitter feeling? What the heck!
Tomorrow you'll hand me a cheque.
And if I feed you regularly,
You are especially kind to me.
For cards pour from you when I'm ill.
And season's greetings bear good will.

In all the years we have known you, you have been very dependable; coming out in every kind of weather to bring us our mail. The daily mail has always been a source of pleasure for everyone, especially when the courier was as cheerful and friendly as you have been.

As they always say — Beside each good man is a good woman — so we must not forget Mrs. Jones and your family, as well, as they have accompanied you so many trips.

Old Friends

Oh! the friends we meet are many,
All along the way of life.
There are those who cheer us onward
In the midst of care and strife.
But the friends we love most fondly,
Better far than all the rest,
Are the friends, she tried and old friends.
For the old friends are the best.

We cannot forget your service to your country by serving in two World Wars, and how thankful everyone was when you returned safely to carry on. We were very fortunate to have your wife and family to fill the gap while you were absent.

And so as a memento of our appreciation for your friendship, kindness and services and the esteem in which we hold you, we ask you to accept these gifts and may they always remind you of our best wishes for a full measure of health, happiness and prosperity during your many years of retirement.

These are the wishes of all those on R.R. 4, Stirling, Post Office staff and many of your former patrons.

The Rebels came up on the short end of the game by the score of 6-5. They started out fast, scoring two runs in the first inning, adding another in the third. They were nursing a 4-1 lead when the roof caved in on them. Robert (Bubba) Cooke hit three batsmen and some costly errors gave Centenary a 5-4 lead. They later tied the game but Centenary scored another and held on to win.

On Thursday night, Glen Ross defeated Foxboro by a score of 8-4 at the local ballfield. It was a loosely played game with many errors.

On May 31st, the Rebels travelled to Holloway but were beaten by the score of 5-2. Their next game is Tuesday night, June 3rd. in Stirling, at 7.00 p.m.

Stirling Intermediate School "Spring Entertainment" Well Received

(By Jill West)

Tuesday, May 20th, was a great night for Stirling Intermediate School students when they entertained their parents at the Stirling Theatre. A warm welcome was extended by Mr. Geo. Patton, Principal of Stirling Public Schools.

The evening's programme began with many selections played by the school band, under the capable direction of Mr. Maurice Bell. These were greatly enjoyed and the students are to be given much credit for a job well done.

This was followed by a "Fashion Show" put on by the Grade 7 and 8 girls, The commentators, Jill West and Janice Clancy, described the dresses worn by the models. The outfit which each girl modelled was constructed by herself in Home Economics classes. Many thanks go to the Home Economics teacher, Miss M. Wilkes, for her guidance and instruction. The outfits were very well made and the girls should be very proud of their efforts.

The talents of the school's drama club were then displayed in a one-act play, entitled "Kidnapping Betty". This was under the direction of Mr. E. Fleming and everyone agreed it was a fine production.

In the lobby of the Theatre, the parents were pleased to see a display of woodwork and paintings done by the boys of Grade 7 and 8 and the special education classes.

A silver collection was taken, the proceeds of which will go toward the purchase of capes and hats for the band members and also toward other ventures now being planned for the students.

The playing of the National Anthem concluded a very fine evening of entertainment.

The O.P.P. policing is free to the Village, so the citizens should avail themselves of this service when needed.

Returns Home After Forty Years

Mrs. Cecil Carter, Frankford, has left for a visit with relatives and friends in Scotland. She left on May 21st and will be visiting there for a couple of months. This is her first trip home in forty years.

Chamber Commerce June 12th

The next meeting of the Stirling Chamber of Commerce will be held at Hum's Restaurant on Thursday, June 12th, at 6.00 p.m., in the form of a dinner meeting.

According to President Dave Duffin, main topics for discussion will be street decorations for summer and the Christmas season.

All members are urged to attend.

LIVERY DAYS

Talk about superslobgogulous cheese — well, Senior Citizens had it last Thursday. Roy Thrasher supplied a lunch of tasty cookies and the best cheese that you ever poked into your face. Roy sure knows his cheese and well he might, for he was top cheesemaker in this district for most of his working days. All the girls pitched in and served and had a good share of eats also. In the absence of the President, Past Pres. George thanked Roy for the nice lunch.

Years ago when there were no cars, we had several livery stables. Two of these sent buses to meet the two east bound and west bound passenger trains daily. One livery stable was across the road from Harper Rollins' and was operated by Hiram Rergyson and later by George Richards. At the same time, one more was operated by James Ackers (Jack's father) and later by Adam Corrigal where Ray's machine shop now is. Brint Wright had one across from the rink and John Gould and Ted drew freight and express for many years. Brint Wright and Roscoe also drew freight.

Well, we're all a day older today — Hope to see you tomorrow.

I.O.D.E. To Award Bursary

A bursary of $100.00 is offered again this year by the Hon. J. R. Cooke Chapter, I.O.D.E., to a student from the Stirling-Rawdon-Sidney area who is completing one of the Secondary School courses and is planning further education. Application forms are available at Centre Hastings (Madoc) and Quinte and Centennial Secondary Schools. Students, parents and teachers are reminded that applications are to be submitted to Mrs. Ralph Clements, Educational Secretary, by June 15, 1969.

This bursary is not offered primarily for scholastic achievement, but rather to a student who requires some assistance to continue at University, Teachers' College, School of Nursing, etc.

The regular meeting was conducted by the Regent, Mrs. Robert Hough, at the home of Mrs. Robert Burgess, on Thursday last, with a good attendance.

As many favourable comments were heard concerning the Teen-Age Dance the Chapter sponsored in May, it was decided to hold another dance, following examinations, on June 21st, with "The Trolls" providing music. Teenagers, please note!

A quilt was completed during the evening, and Mrs. C. Fitchett distributed wool and articles to be sewn.

A delicious lunch was served by the hostess and committee, Mrs. John Lanigan and Mrs. James Bryant.

The June meeting will be held at the home of Carrol Clements — another quilt to be done, and members, remember a "toothbrush" for roll call.

Trent Valley Country Jamboree Makes Plans For Busy Summer

On Saturday night, May 24th, The Trent Valley Country Jamboree held their 48th performance, in Stirling Theatre, before another packed house of Country Music fans. Over 23,000 people have attended the Jamboree in Stirling since it began in December of 1966.

The last eighteen performances have been broadcast, in part, direct from the Stirling Theatre stage, via remote control from radio station C.J.B.Q., Belleville, with Dick Lovering as M.C.

The Jamboree has played in other towns — six times to large crowds. This summer, it will entertain in Belleville Arena with the famous C.B.C. television star of Don Messer's Jubilee and Columbia Records, Myrna Lorrie, with her Country Music Show; at Wellington, for the Fire Dept.; chicken barbecue, at Tamworth; Civic Holiday, two performances, sponsored by Sheffield, Tamworth Fire Dept. Many other summer Jamborees are now being planned.

In September, the Jamboree will return to Stirling Theatre and perform again the second and fourth Saturday night each month, till the end of May, 1970. There will be no performances in Stirling in June, July or August.

This amazing country music, pickin', singin', fiddlin' and fun show, started by Jack and Dorothy McCaughen and Ken and Evelyn Stapley, in Stirling, has grown to be one of the most popular entertainments in Canada and talent comes from all over Canada, as well as the Trent Valley, to appear on the Jamboree.

SURPRISE

I dreamed that death came the other night
And heaven's gate swung wide.
With kindly grace an angel ushered me inside
And there to my astonishment
Stood folks I'd known on earth;
Some I'd judged and labeled
As "unfit" or "little worth"
Indignant words rose to my lips
But never were set free,
For every face showed stunned surprise
No one expected me.

Jr. IOOF Lodge Walkathon Proves Successful

The members of Mohawk Junior Oddfellows Lodge No. 5 are elated with the success of their Walkathon appeal on behalf of local youth work and the Visual Research Foundation at University of Toronto under the slogan "Walk to Save an Eyesight" held on Saturday, May 24, from Zwick's Island.

While the figures are not final it is now reported by Mrs. G. Reid that over $15,410.00 should be received within the next few days.

The generous support of so many sponsors of our young people will cause some concern in how to recognize the many unselfish contributions.

The walkers are asked to try to make their collections as soon as possible and deposit them in any Branch of the Bank of Montreal, as the committee is anxious to make a distribution to the Visual Research Committee which is desperately in need of funds.

They should take their sponsor sheets with them to the Bank along with the money collected.

Mohawk Junior Lodge is only 16 months old, having received its charter on January 27, 1968. Its members are boys 12 to 19 years of age. The objectives of the Junior Lodge are good sport, clean fun, and serious business of learning to build a life based on Truth, Purity and Honour.

In Sports the Lodge has a Soccer Club of its own and takes part in District Dart Baseball. Several sports days have been organized. A summer camp is planned for Labour Day weekend and they are trying to organize a Hockey Club.

In Lodge work the Mohawks have excelled. They now hold the Burch Trophy, emblematic of championship in Degree competition for Ontario.

In organizing the Walkathon the Lodge had to resort for help to members of other Branches of the Order and to friends, parents and anyone who might give a hand. The response was tremendous.

MR. AND MRS. ROBERT PAUL LUERY

LUERY -- STEWART WEDDING

Zion United Church, Oshawa, was the setting for the recent wedding of Miss Valerie Lorraine Stewart and Robert Paul Luery. The bride is the daughter of Mr. and Mrs. Herbert Walter Stewart of Hampton, and the bridegroom is the son of Mr. and Mrs. George Robert Luery, of Stirling, Ontario.

The Reverend Arthur Cresswell officated and Jack Allin was the soloist, accompanied by Miss Joan McMaster, at the organ.

The bride, who was given in marriage by her father, wore a full-length gown of lagoda silk fashioned with a mandarin neckline and long sheath sleeves with a ruffle of lace. The empire bodice was enhanced with daisies and lace trim complimenting the oval train edged with lace. Her headdress of daisies held the bouffant veil of illusion tulle and she carried a bouquet of stephanotis and baby's breath.

Mrs. Robert Morrow was the matron of honour, with Mrs. Morris Day, Mrs. Bruce Mills and Miss Margaret Pingle also attending the bride. Firth Bateman acted as best man with Robert Morrow, Donald Luery and Steven Cook ushering.

The reception was held at the Autoworks' Credit Union Hall. For the honeymoon trip to the Pocono Mountains, the bride chose a bone white ensemble with brown and yellow accessories.

Mr. and Mrs. Robert Luery will reside in Oshawa.

"Now children," the harried mother announced to the noisy small fry at her son's birthday party, "remember there will be a special prize for the boy who goes home first."

$120.50 less than last year's Impala comparably equipped.

Every Chevrolet has to make it before we mark it. GM MARK OF EXCELLENCE

Now more car really does cost less.

Normally, you expect to pay more to get more.

So you'd naturally expect Canada's favourite car, Impala, to cost more than a '68 Impala with the same equipment. Well . . . the price spiral stops right here.

Like an example? Take our Impala Custom Coupe, equipped with a 300-hp Turbo-Fire V8, power front disc brakes, Turbo Hydra-matic transmission, head restraints, whitewalls and wheel covers. And we'll take $120.50* off last year's price.

How come? Because this year we've cut the price on the 300-hp motor, the Turbo Hydra-matic transmission and the power discs, and we've made head restraints standard equipment. So you save a bundle.

And on top of all this, Impala's a better car this year. By now you should be getting the message. More car, less money.

And your Chevrolet dealer will be happy to prove it.

*Based on manufacturer's suggested maximum retail prices, including federal sales and excise tax and suggested dealer delivery and handling charges.

Wheat Production Will Set New Record

World wheat production for 1968-69 will reach a record 306,000,000 metric tons, or 11,230,200,000 bushels, says an estimate published by the United Nations Foods and Agriculture Organization.

The total is 13 per cent more than the corresponding 1967-68 period.

The organization's study group on grains says exporting countries accounted for most of the production.

Despite bad weather, Russia harvested the second largest crop in its history, estimated at 96,000,000 tons, or 3,523,200,000 bushels, the FAO says.

Although the United States reduced its average, it too produced a bumper crop of almost 43,000,000 tons or 1,578,100,000 bushels, while Australia, which had favorable weather and a record acreage, harvest neatly 15,000,000 tons—550,500,000 bushels—the FAO says.

Canadian production rose to almost 18,000,000 tons—660,600,000 bushels.

There are roughly 36.7 bushels to a metric ton.

Mr. Gordon Apperley gave a reading, "Moving Day", by Henry Van Dyke, and Mrs. Jack Bush a reading, "We're Glad We Brushed Shoulders With You". Mr. Douglas Pyear rendered a vocal solo, accompanied by Mrs. Arthur Pyear. Mr. Scott played a recording of his talented budgie and then entertained with some magic tricks.

Cedar Bark Days

We tooted Murn and Roy as being good providers at Senior Citizens but they've got nothing over George McMullen, who was in the driver's seat of the chuck wagon last week. Lillian and her cohorts threw out the buns.

We are losing Padre Crook — He is moving away, and we're sorry.

Pres. Fred thanked George for the lunch and expressed regrets that The Padre (our Vice-Pres.), must leave us. Many others expressed their regrets and The Padre promised to visit us real often.

Some of our former Hardware Merchants were Warrens, McGee and Legrow and then Clint McGee where Mouck's Crest Store now is. David Martin was where The News-Argus is manufactured now. One of the oldest is Lindsay Meiklejohn who often said: "I'm letting you have this below cost". Later Rodger Meiklejohn came in as a partner and was followed by Clifford Hatton. Bob Hatton now operates the Dominion Hardware in the same stand. I wonder how many can recall Dusty Wescott who clerked for Meiklejohn for so many years. His wife was Nora Reynolds.

Those were the days of the bamboo fish pole and we were often caught down behind the sheet house (that's where sheets were kept), smoking cedar bark.

Highlight of the June meeting was the receiving and discussion of the fine reports of the recent Provincial Conference at Cornwall, Ont., given by Cdes. de Jong and Bastedo, who were the official delegates of the Branch. Also attending for part of the Convention were Cdes. Tanner, F. Heasman and Patterson.

After the service, the parade marched to the Cenotaph where a pause was made while the following wreaths were laid by Legion President Wieger de Jong, on behalf of the Stirling Legion, and Forde Stapley, in memory of his brother, Ralph Stapley, who was killed on D.-Day.

A Busy Week For The Warden

On Tuesday, June 3rd, His Honour Donald W. Rodgers led a County delegation of Past Wardens, Messrs. W. Shannon, T. Burnside, J. N. Brown and C. White, with Mr. C. E. Bateman, Administrator, to Queen's Park for a meeting with Hon. Darcy McKeough, Minister of Municipal Affairs and Hon. Chas. MacNaughton, Provincial Treasurer. In Toronto, this committee was joined by Mr. C. T. Rollins, M.P.P., and Dr. Richard Potter, M.P.P.

The purpose of the committee was to protest the proposed take-over of the assessment function by the Province. The Committee feels that the discussions revealed a major change in policy by the Provincial cabinet that will be most happily received by most municipalities in Ontario. More pertinent information will be released later.

On Tuesday evening, His Honour the Warden accompanied His Worship Mayor J. Russell Scott, Alderman Gerald W. Joyce, President of Belleville Industrial Commission and Mr. Raymond Brown, Industrial Commissioner to New York City, where the City of Belleville, together with Allied Chemicals, a new corporate citizen of Belleville, hosted a reception in the Allied Tower, Times Square.

In attendance were members of the Canadian Consulate General, the Ontario Department of Trade and Industry, industrial spokesmen from Canadian National Railways, Canadian baking institutions and their American counterparts, and Mr. Fred Bessinger, President of Allied Chemical.

The City-County delegation was exceptionally well-received and it is hoped that some worthwhile benefits to the Quinte District will accrue shortly.

HASTI-AGRI-GRAM

THE FARM NEWS LETTER OF HASTINGS COUNTY

WATCH FOR THE ALFALFA WEEVIL
(W. D. Tipper)

This alfalfa problem is now appearing right across the Province. Farm operators are going to become familiar with the problem and the methods of control. As a means of informing operators, there will be a series of news releases on it. In addition, we have a leaflet publication available at the office. The first message dealing with this subject has been received from the Zoology Department, University of Guelph, and it reads as follows:

When? Mid May to mid June on first cutting.

Where? In each alfalfa field on the farm.

How? By frequently (2-3 times per week) examining several well distributed locations throughout the entire field.

For what? 1. Worms — tiny yellowish at hatch, becoming green with white stripe over back, growing to nearly half an inch in length. 2. Damage — inter-vein leaf feeding by worms, thus shreading and skeletonizing plants. 3. Adult weevil — snout beetle with dark brown stripe over back. Lays eggs, causes little feeding damage.

Additional Related Information:

Survey results — Adults are active in fields. Egg laying started.

Weather and weevil development— Weather conditions any given year are the most important single factor that will determine the rapidity of weevil population buildup. A relatively cool growing season will favour alfalfa development over weevil development in that the weevil hatch will be hindered to a greater extent than the alfalfa. On the other hand, relatively warm or hot weather brings the weevil along proportionally faster than the alfalfa.

Differences in weather in different regions of the Province, even in the same heat zone, can have different weevil populations. This again can vary from year to year.

NARROW CORN ROWS DON'T RAISE YIELDS
(Ray B. Pender)

"We now have enough experimental evidence to show conclusively that changing to 18-inch corn rows from the conventional 36-inch rows will result in only a small increase in yield. In fact, in some cases there may be no increase at all." Mr. R. B. Hunter of the Crop Science Department, University of Guelph, made this statement recently after completing analysis of last year's experiments with corn in narrow rows.

"The average increase for narrow-row corn in our experiments, which match very closely those of all the other research stations in Ontario, is two to three bushels per acre. For my money," says Mr. Hunter, "this is not nearly enough to warrant the problems and expenses associated with narrow rows."

Mr. Hunter goes on to explain there has to be a clear distinction between corn in narrow rows and corn in higher populations. "We have been able to show a significant increase by raising the plant populations above the normal for corn. But," he cautions, "during our experiments in the last two years, there has been no problem with a lack of moisture and we have shown yield increases up to and including 29,000 plants per acre."

Mr. Hunter also adds another note of caution. "Our experimental plots are hand-harvested," he says. "High populations usually mean smaller cobs, which on a field crop basis could mean higher field losses at harvest. Our recommendations are for populations around the 20,000 mark for the Guelph area." These same recommendations would apply to Hastings County since we are in the same heat unit range as Guelph.

Minto

(Mrs. Lindsay Tanner)
(Held Over)

St. Thomas A.C.W. was held at the home of the president, Mrs. Ted Preston, of Spring Brook, Tuesday afternoon. A bale of new and used clothing was packed for a mission in Manitoba. Mrs. Preston led in devotions and an interesting programme was given by members. The hostess served refreshments.

Mr. and Mrs. Bill McMullen, of Detroit, and Mr. and Mrs. Earl McMullen, of Lively, spent the week end with Mrs. Myrtle Brady and on Sunday evening all were dinner guests of Mr. and Mrs. Stanley Royle at their cottage at Glen Ross.

Mr. and Mrs. Newt Dort, of Ohio, spent the week end with Mr. and Mrs. Stanley Keller.

Mr. and Mrs. Walter Breach, Peterboro, spent Monday evening with Mr. and Mrs. Lindsay Tanner.

Full Gas Tax Rebate To Custom Operators

Rabies Decrease In Quinte Area

Rabies in the Quinte area is at a low level compared to the same time last year.

In the Quinte counties of Prince Edward, Hastings and Northumberland, there were 52 cases of rabid animals in the first five months of 1968. In the same period this year only 38 cases have been discovered.

The statistics were reported today by Dr. J. F. McCorqodale of the Health of Animals Division, Department of Agriculture in Belleville.

The department says that the main cause in the spread of rabies, in Ontario, is the fox. Other animals become rabid after receiving a bite from a fox which has contracted rabies.

When an animal has bitten a human and rabies is suspected, the law requires that the incident be reported.

Once the animal has been found tests are made to determine if it is rabid. If the animal is still alive after a 14-day observation period it is considered free of the disease.

A department of laboratory in Hull Quebec, where the rabies diagnosis tests are conducted, has handled 2,430 speciments thus far this year, while last year 5,890 tests were run.

Because of the low occurrence of the disease this year, the prospects for the coming summer look very good.

There is no real season for rabies but the fall, when wildlife population has increased the chances for an animal contracting rabies is a little higher.

High Beam Dazzle

Know what to do if you're caught by high beam dazzle from the lights of an approaching car? The most important thing to remember is — DON'T LOOK AT THEM. Force yourself to look at the side of the road ahead of your car. Use it as a guide. Slow down and stop if necessary. Once the high beams have passed, give your eyes a chance to re-adjust before resuming normal speed. Don't YOU be the driver who says, after an accident — "I was blinded by his headlights."

Emergency Vehicles

Here's an emergency vehicle reminder: When you hear a police, fire, ambulance or Public utility emergency siren, the law requires that you bring your vehicle to a stop as near the right hand curb as possible.

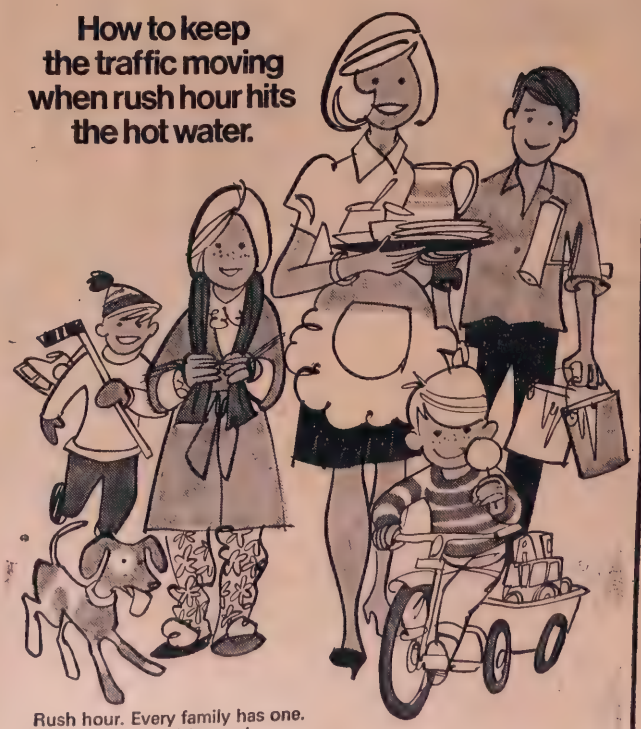
How to keep the traffic moving when rush hour hits the hot water.



Rush hour. Every family has one. When there are dishes to be washed, kids to be tubbed, Dad scrubbing up. Then Sis decides she *has* to have a shower. It takes a lot of hot water to keep the traffic moving.
That's why you need the Cascade electric water heater—the big producer. It's got the capacity a busy family needs, and it's economical, too. Cascade keeps you in hot water for only pennies a day. Ask your Hydro about the quiet, clean, electric Cascade water heater.

IN MEMORIAM

BEDELL — In loving memory of Cleo Bedell, who passed away June 10, 1967.

Although we smile and make no fuss,
He is missed by all of us.
And when old times we oft recall,
That's when we miss him most of all.

— Sadly missed by his friends, Norm and Helen Ray
23-1p Carmen and Myrtle Bruce

GEEN — In loving memory of our dear son, Ronald R. Geen, who passed away June 14, 1968.

We watched him suffer, day by day,
It caused us bitter grief,
To see him slowly pine away
And could not give relief.
His weary hours and days of pain,
His troubled nights are passed;
And in our aching hearts we know
He has found sweet rest at last.
'Tis sweet to know we will meet again,
Where parting is no more.
And our dear son we loved so well
Has only gone before.
God knows how much we miss him,
He counts the tears we shed,
And whispers, "Hush, he only sleeps,
Your son is not dead."
Some day, some time, our eyes shall see
The face we loved so well,
Some day, some time, his hand we'll clasp
And never say farewell.

—Ever remembered by Mother and
23-1p Father

GEEN — In loving remembrance of our dear brother, who passed away June 14, 1968.

One year today our brother was called
To his eternal rest;
Gone where the angels sing so sweet,
And taken when God knew best.
We miss him here so very much,
His presence oft seems nigh,
But we all hope in Heaven to meet
Where no one says goodbye.

Quite A Girl Yet!

Perhaps the most popular Senior Citizen with the ladies is Ross Hoard He displayed this quality Thursday when he alone served the lunch, prepared by Evelyn Finkle and Martha Wood and he did it without an apron, too, and never spilled a drop.

The sympathy of our Club is extended to Mina Smith and Murn Stapley in their recent bereavement.

We recognize Delia Descent as one of our most respected citizens and in our Club, she is loved by all. Delia has spent most of her life in Stirling and for years was a popular telephone operator here and held many other positions of trust. Dis Ole Scribe can't see how so nice a girl could stay single for so long. God bless you, Delia, you're quite a girl yet. Delia's father was Louis Descent, one of our first millers. His last mill was at River Valley where Jack Sager's home now is. There he used water power supplied by the stream that ran through the farm formerly owned by John Kane.

Did you know that of the total number of telephone calls made by Canadians — and we are the world's greatest telephone talkers — only two and a half per cent require a long distance charge? In the United States, the figure is four per cent, in the United Kingdom, 13 per cent, and in France 34 per cent.

Some homes have a "collision corner". That's an intersection where speeding bodies collide as they dash to answer the family's only telephone. Why not enjoy the step-saving quality of extension phones conveniently placed where people are?

In Memoriam

BRADY — In memory of Stewart Brady, who passed away June 19th, 1967.
Very peaceful he is sleeping,
Sweetest rest that follows pain.
We who loved him sadly miss him,
My life will never be the same.
— Myrtle, Marjorie, Stan and family. 24-1

MARTIN — In memory of Jennie Martin, Lakefield, who passed away, June 18th, 1968.
In a quiet country cemetery,
Where the gentle breezes blow
Lies the one we loved so dearly
We lost one year ago.
She left behind some aching hearts,
Who loved her most sincere.
We never have or never will
Forget you, Jennie dear.
— Sadly missed by Dad and Mom. 24-1p

Turf Club Busy At Marmora Fair Grounds

Recent activity at the Marmora Fair Grounds could be an indication of what will be in store for district harness horse fans.

During the last few weeks, heavy equipment and helping hands are making some needed changes on the track and it is hoped that in the near future a regulation half mile track will be the result.

Due to the nature of this track having no frost problems, it could also provide year round training facilities second to none.

Reeve Shannon was on hand recently to assist with the laying of the corner stone of a modern pari mutuel plant, capable of handling a wager up to $35,000.00.

Bill Doyle, President of Marmora Agriculture Society was also on hand for the laying of the corner stone, along with the building contractors and other interested citizens.

The Club should be congratulated for the fine effort they are making to bring harness racing to Marmora and the installation of new modern buildings, along with considerable improvement to the race track, including widening of the turns, as well as proper elevation.

Club President and Track Manager Bill Prest, of Spring Brook, is highly optimistic regarding the future of Sunday harness racing at this plant, the first of which is June 22nd.

The rich may not live longer, but it certainly seems like it to their poor relations.

Letter To Editor

Dear Sir:

Recently some fine young folk put on two evenings' of variety night. Where were the fine people of Stirling? There were many farmers in the audience but, I suppose, when their day's work is done at 4 or 5 p.m. they have not a thing to do. I surely hope no one believes this.

These boys and girls put on this show to raise money to fill a bus with children (boys) to attend hockey school this summer. Not to fill it with all-stars or wealthy people's sons; but to fill it with some of the boys that always have to stand on the street corner while the bus is loading and wish "Gee, if only Mom and Dad could have sent me."

We had a meeting at the Legion Hall and when a lot of the women found out that some of us mothers had approached the Hockey School and got them a free bus with the hope that they would help some boys to go, they said "No", and gobbled up the free bus. At the same time they told us that they could afford to send their children and if parents couldn't send their boys, they deserve to stay home.

I also have been told that it's not Stirling children who cause any trouble. It all comes from outside of Stirling. If everyone can say this in earnest, well then, why not do something. Have an interest in the children.

The boys and girls who were putting on the Variety Show were not professionals but they enjoyed it. They had an interest. They wanted to show adults that they were trying and that they had an interest. But the adults of Stirling and area let the children down. They had no interest in children.

Now, let's deal with the Minor Hockey. When the handful of parents went to work to help fill a second bus, we asked if we might use Legion Hockey. We were told "No". They were selling tickets to buy jackets for the All-Stars. The Bantams were selling tickets for the All-Stars. Well, we didn't care about the All-Stars or if the parents were rich. We were interested in sending as many boys to Hockey School as we could manage. The boys we knew were not N.H.L. players, but Minor Hockey boys. The Minor Hockey Association didn't help these boys any more than did the public.

If on the first Saturday morning of hockey season you would come down to the Arena and watch the Novice boys who are starting to play hockey and then come back near the end of the season and see how hard they work, it will be bound to touch your heart, and instead of looking down your nose at these boys when they ask for help from you, you'll soften a little.

There are no bad children born on this earth, but there are so many of us parents who need help to the right road to give all children a fair chance.

I am one of these mothers who still want to see as many boys go to Hockey School as I can help. If helping young boys do something clean and good is wrong then the next time we ask you to help, go right on looking down on us and hide yourselves.

Yours truly,
A Disturbed Hockey Mom.

Marmora Firefighters Champions At Firemen's Annual Sports Field Day

On Sunday the Hastings and Prince Edward Mutual Aid Firefighters' Association held their annual Sports Field Day at the recreation field at Stirling Intermediate School. Joint hosts for the event were the Rawdon Township and Stirling Village Volunteer Firefighters.

Fire Departments from Deseronto, Frankford, Marmora, Rawdon and Stirling were represented in the various competitions.

During the afternoon various races and contests were held for the wives and children, as an added attraction. A fair crowd of spectators was present to witness the competitions, which proved very interesting, with many close contests. Master of ceremonies for the afternoon was the popular Dick Lovering of radio station CJBQ.

A refreshment booth did a thriving business.

Marmora Fire Department were the overall winners for the day and were awarded the championship with 15 points; 2nd place, Rawdon, 11 points; 3rd, Stirling and Deseronto, tied with 8 points each; 4th, Frankford, 6 points

The various events were: Equipment Race; Ladder Races; Hose Coupling; Hose Replacement Race; Hose Cart Race and Bucket Race.

Flower Boxes Damaged

Vandals recently have completely destroyed two of the attractive flower boxes placed on the centre bridge by the Stirling Horticultural Society. One wonders what enjoyment is derived by destroying property in this manner.

In Hospital

Mr. Ted Reynolds is a patient in Belleville General Hospital. He was admitted on Tuesday last.

Pert, Gert and Curley

Last week at Senior Citizens, Ern Munro came up with three banana cakes. Were they ever good! Ross Hoard again helped the ladies serve. Pres. Fred graciously thanked Ern for the treat and, do you know I thought I could see Ruth's fingerprints on them.

A rousing game of dominoes was the cause of all the commotion. Gert Belshaw, Pert Elliott, Curley Reid and Dis Ole Scribe were in spirited contest. Curley is a top notch player but Pert and Gert were in good form last week. Gert won, but Pert and Curley are waiting for her next week. Dis Ole Scribe isn't in their class so maybe he and Walter will play tic-tac-toe.

Do you know that at one time Glen Ross was supposed to have been surveyed as a site for the Village of Stirling? By this time, maybe Art Pyear would have been our Reeve.

Mr. and Mrs. Herman Vardy Honoured On Fiftieth Anniversary

Mr. and Mrs. Herman Vardy were married in Bancroft on May 28, 1919. They resided in Dungannon Township, east of Bancroft, for twenty-five years, at which time they moved into Bancroft village.

When Mr. Vardy obtained employment with Marmoraton Mining Co. in 1951, they moved to Rawdon Township and eventually built the house on the outskirts of Stirling now owned by Mr. and Mrs. Lorne Watson.

Still working at Marmora Mine as stationary engineer, Mr. and Mrs. Vardy purchased the farm now owned by Mr. and Mrs. Dennis Chapman, formerly known as the Warren Harlow property.

Mr. Vardy retired from his regular employment a year and a half ago. The couple has moved to their present home, 161 Front St. W., Stirling. It was here, on Saturday, May 31st, that they received their many friends on the occasion of their fiftieth wedding anniversary.

Those of their family present were: Mr. and Mrs. Donald Vardy and Mr. and Mrs. Samuel Stapley, of Stirling; Mr. and Mrs. Manley Rutledge, of Havelock; Mr. and Mrs. Elwood Vardy, of Peterborough, and Mr. and Mrs. Albert Vardy, of Willowdale. Mr. and Mrs. Lorne Vardy, of Prince George, B.C., were unable to attend.

Eight of their twelve grandchildren were: Miss Barbara Vardy, Misses Carol and Linda Stapley, Messrs. Ellwood and Edward Rutledge, Misses Brenda and Sandra Vardy, were present. Heather, David, Kenneth and Jon were unable to be present.

The bridesmaid of fifty years ago, Mrs. Katherine Nichols, accompanied by her husband, Gerald Nichols, was lovely in a dress of pink, flowered silk. Her corsage was white carnations, caught together with gold ribbons.

Mrs. Vardy chose an aqua lace-over-taffeta A-line dress and her corsage of red roses touched with white combined to achieve a very attractive costume.

The table decoration, on white linen, was a beautiful three-tier wedding cake, made and decorated by their daughter, Mrs. Samuel Stapley, which was much admired and appreciated by their family and friends. Double crystal candelabra with gold candles were on each side of the cake centrepiece.

Two sisters of Mrs. Vardy, Mrs. Fiorus Daniels, of Brighton, and Mrs. Frank Vardy, of Ameliasburg, poured tea in the afternoon. Mrs. Louis Vardy, cousin of Mr. Vardy, was present to pour tea for the evening guests. The silver tea service added to the attractiveness of the table.

Photographer, Mr. Gordon A. Savage, Frankford, made several formal shots and there was a halo of flashes as cameras snapped from all directions.

Guests were received at the door by their three sons, Donald, Elwood and Albert. The guest book and gifts were attended to by the grandchildren.

Among the many gifts received was a plaque from the Government of Ontario, which was presented by Mrs. Rollins, wife of Mr. Clarke Rollins, M.P.P.

The family presented a lovely chime clock to their parents, and from their grandchildren Mrs. Vardy received a gold wreath brooch and Mr. Vardy gold cuff links and tie bar. Their friends at Grace Chapel, Stirling, presented the couple with a gold pole lamp. Many gifts were appreciated from friends and neighbours: also a sum of money and many cards of greeting. Mr. and Mrs. Vardy surprised each other with gifts of Bulova wrist watches.

Friends were present from Michigan, U.S.A., Toronto, Brighton, Trenton, Frankford, Belleville, Harold, Foxboro, Carrying Place Bancroft, Stirling and district.

Mr. and Mrs. Vardy are proud indeed of their family and friends for showing their love to them in this way on their very special day. It brings back memories of good old days gone by.

River Valley W.I.

On Thursday, June 5th, Mrs. Geo. Grills was hostess for the regular meeting of River Valley Women's Institute. There were seventeen members, two visitors and five pre-school children in attendance. Another new member joined at this meeting, the third for this year.

Mrs. Roy Tucker, President, opened with the Institute Ode, Mary Stewart Collect and a welcome to all.

A very comprehensive report of the recent annual meeting of Hastings West District was given by Mrs. Glenn Bush, Mrs. Roy Bush and Mrs. Jack Bush. The Life Members' cards were given to the District Director at the annual meeting for Mrs. John Kane, Mrs. John L. Donohoe, Mrs. Alex Bush and Mrs. Roy Bush. The delegates' expenses to the annual were authorized to be paid.

The plans for swimming lessons for the children for another year were outlined by Mrs. Glenn Bush.

The roll call was "My favourite cheese and bring a sample". A few of the samples were served with the refreshments and the rest was auctioned off by Mrs. Jack Bush and the proceeds of $2.76 were placed in the penny jar.

Mrs. Gerald Brooks gave her report and the correspondence included a message re the vote for a farm organization and the appointment of Mrs. William Woof as supervisor of 4-H Club work in this area. Mrs. J. L. Donohoe gave the financial report.

The Institute will cater at the Hickson Sale Barn, on June 23rd, and in August they will entertain other Institutes.

The next meeting, on July 3rd, will be at the home of Mrs. Glenn Bennett, based on Education.

Mrs. Percy MacMullen, in her report on Public Relations, stated that Miss Mary MacEachern, Home Economist, will be stationed in Stirling after July 1st, with sole responsibilities in Hastings County. She also read a message from Mrs. George W. Clark, of St. John's Newfoundland, President of the Federated Women's Institutes of Canada.

Mrs. Roy Bush told of the growth of the mail courier, Route 4, from April, 1913, and gave several historical items of interest re post offices, stamps, etc.

Mrs. Roy Irven, in her message, said hard water is best for heart victims.

The curator, Mrs. Roy Bush, displayed the Tweedsmuir History Book and gave a brief outline.

Mrs. Norman Rosebush opened the Dairy Month programme with "The "Song of the Lazy Farmer".

Mrs. Percy MacMullen presented the topic in two parts. She outlined the Dairy Substitutes that are now on the market, such as margarine, coffee whiteners, toppings, and said experience shows that it doesn't take very long to develop a market for a substitute product. The dairy industry stresses that these new products are a challenge to strengthen the dairy business. At present, imitation milk is being marketed commercially in the United States and it is just a matter of time until it will be introduced in Canada.

For the second part of the topic, Mrs. MacMullen spoke of "The Three Quart Milk Pouch Pack". She demonstrated the containers and explained about the automatic milk bagging machines that are now on the market in Belleville, Oshawa and Quebec. The bagging machines automatically cut sections from a continous roll of film, forms the bags, fills them with milk and seals them at the rate of twenty-seven units per minute.

This summer, one dairy in Eastern Canada plans to market a three quart week end pack of pure milk, grape juice and a chocolate drink to accomodate tourists and those on holiday. At the end of February, 1969, there were thirty-two dairies in Canada which had installed these form and fill milk machines.

Many new ideas are being suggested and the President of The Ontario Dairy Processors, speaking at their convention, urged the dairymen to reach out or their share of this programme of new and different dairy foods.

Mrs. Robert H. Hoard read a poem, "When It Is Ninety In The Shade". Mrs. Gerald Brooks read "Country Things". Mrs. Ross Bush read an article re support of your Dairy Princess on June 18th at Zwick's Island.

The Pennies For Friendship and collection were gathered.

The meeting closed with the Institute Grace and Mrs. J. L. Donohoe. Mrs. Gerald Brooks, Mrs. Ross Holland assisted the hostess with refreshments of fruit breads and cheese.

Mrs. Ross Bush voiced appreciative thanks for hospitality, reports, programme and food.

Stirling W.I.

The June meeting was held on Wednesday the fourth at the nome of Mrs. Frank Smith with eleven members, six visitors and our usual small boy present.

The president Mrs. Clifford Clancy welcomed the visitors and opened the meeting in the regular manner.

The Secretary, Mrs. Frank Smith called the roll which was answered with a number of good hints given on how to be a good neighbour. The minutes of the last meeting were read and approved.

Mrs. Wm. West gave the treasurers report showing a nice bit of money on hand.

The correspondence was read, discussed and placed on file.

Our delegate Mrs. Wm. West who attended the District Convention held recently at Centenary United Church gave a very interesting report of the meeting stressing the message brought to us from Mrs. John McLean, Seaforth, Ont.

She told us to be sure to store our Tweedsmuir books in a safe place and when we are choosing our officers choose them wisely as they are responsible for the success or failure of our organizations. Mrs. West also had a complete list of the new Offifcers for the District for the new year.

Mrs. Gerald Irvine, Past District President, our guest speaker for the day gave us an interesting paper on the travels of Miss Eadie when she visited Old Crow and other places in the Yukon telling how they live there and how they get from place to place which is certainly quite a job in bad weather.

Mrs. Clancy thanked Mrs. Irvine for bringing us this message.

Some business was attended to and the bills handed in paid by the treasurer.

Mrs. Arnold Wannamaker gave a reading "Unintentional Hurt", and Mrs. Floyd Bartlett read "A Prayer on Growing Older", composed by an unnamed Mother Superior.

The meeting closed with the Queen and Mrs. Ayrhart, Mrs. H. Reid and Mrs. M. Kirkey aided the hostess in serving lunch, for which Mrs. M. Ward thanked them.

The July meeting will be at Mrs. Raymond Chambers.

AGE DISCRIMINATION

Labour Minister Dalton Bales has introduced a bill to make the Age Discrimination Act applicable to the Crown and its agencies. He said the bill reinforces what is already being done by the Government and its agencies to cope with the problem of age discrimination.

"The Government feels it must make it unmistakably clear that it is opposed to discrimination in employment based on age. We know from experience there is no direct relationship between chronological age and ability to contribute to our economy and our society, and, therefore, there should be no age barriers erected against persons seeking employment," Mr. Bales said.

WMS of Kingston Presbytery Hold Spring Rally

The Spring Rally of the W.M.S. of the Kingston Presbytery was held in St. Andrew's Church, West Huntingdon, on June 4th. The theme of the meeting was "A Christian in Action—as an individual, as a homemaker and as a citizen".

An executive meeting was held prior to the general meeting. The Rally was opened by Mrs. G. H. Lyons, President of the Kingston Presbyterial. The morning worship service was conducted by members from the Gananoque Society. The ladies were welcomed by Mrs. Barton Haggerty, President of St. Andrew's West Huntingdon. A report of the Synodical meeting held in Brampton in April was given by the delegate, Mrs. F. McPhee. Miss D. Druce, Literature Secretary, gave her report and she also had a display of literature. Mrs. W. H. L. Smith, Treasurer, brought the societies up to date on their givings.

Luncheon was served by the ladies of West Huntingdon.

The afternoon session began with a worship service, conducted by the ladies of Amherstview. One hundred members answered the roll call. Everyone participated in a sing song which was conducted by Mrs. L. Sills and Mrs. B. Haggerty.

Mrs. S. A. Milne, The Synodical Supply Secretary, was the guest speaker. During the morning session she displayed various articles which were required by the Supply Department and told about the work of the Supply Department in different parts of the world.

In the afternoon, she told of the work carried on at the various Mission Fields and in many cases the missionaries were gradually being pushed out of the countries and the government was taking over the work. However, the missionaries had planted the seed so deeply that the natives were able to carry on, so their work had not been in vain. She also said that while membership in the churches of every denomination was decreasing, the really true Christians were still faithful to their Church. She quoted the sentence: "God works in a mysterious way His wonders to perform" and she said this was very true.

Mrs. J. Breatch, of Trenton, thanked the speaker and also thanked all those who had taken part in the rally to make it so successful. The Secretary read the report of the Children's Rally, which was prepared by Mrs. H. Fantham, Children's Secretary.

Mrs. Lyons told about Council which we had attended in Ewart College, Toronto.

The Rally closed with the hymn, "Blest Be The Tie That Binds", and the Benediction was pronounced.

Presyterian Church Women

Mrs. Clayton Tummon was hostess to the Presbyterian Church Women for their June meeting. There were 24 ladies in attendance.

Mrs. D. Fargey, President, opened the meeting with prayer. She then welcomed everyone.

The minutes, read by the Secretary, Mrs. K. Tompkins, were approved. An invitation to Burnbrae to a Dessert Tea, on Wednesday, June 18th, was read.

Mrs. J. Johnston spoke concerning the bazaar in October, requesting the ladies to get busy on work towards this. Anyone wishing yarn or goods to work with are to request it.

Mrs. Ken Ray asked that each person bring an apron to the September meeting.

Any history available concerning the W.M.S. is requested by the president.

Mrs. J. Johnston and Miss Gena Spry gave reports on frunds.

The report on the Spring Rally at West Huntingdon was given by Mrs. K. Tompkins.

The roll call, a Bible verse containing the word "Love", was answered by the ladies.

The offering, gathered by Mrs. J. Johnston, was dedicated by Mrs. D. Fargey.

Mrs. Bert Cook was in charge of the remaining part of the meeting. A poem, "The Garden of Life", was read by Mrs. C. Tummon. The hymn, "Jesus, Thy Boundless Love To Me", was sung with Mrs. Matthews as musician. Mrs. Duncan Montgomery gave the Scripture reading. Mrs. Hutcheon offered prayer. A short paper on "Love", was given by Miss Gena Spry, stressing how love affects every phase of life and no matter in what way you speak of love, you are immediately directed to God's love for everyone. She also read a poem by Edgar Guest, "Show Me". Mrs. Roy Eggleton and Mrs. S. McIntosh rendered a beautiful duet, entitled "Ivory Palaces". Mrs. Tummon thanked all assisting in this part of the meeting. Mrs. J. Johnston thanked the hostess and those taking part in the entire proceedings. The Mizpah Benediction was repeated.

Delicious refreshments were served by the hostess and her assistants.

Entered Into Rest

ROBERT ERNEST STAPLEY

Funeral services for Robert Ernest Stapley, Frankford, who died suddenly at his residence on Thursday, June 12, 1969, in his 79th year, were held from the Rowe Funeral Home, Frankford, on Saturday afternoon.

Rev. J. N. Patterson conducted the service in the chapel and also the committal rites at Eggleton Cemetery.

The bearers were Clayton Stapley, Lawrence Wilson, Edward Heasman, Jim Hill, Everett Lyons and Hadley Richardson.

Mr. Stapley was born at Eggleton in Sidney Township, a son of the late Mr. and Mrs. James Stapley and had resided in Frankford since 1945. He farmed at Eggleton before moving to Frankford.

Surviving are two sons, Wilfred Stapley, Scarborough; Robert, Frankford; and three daughters, Mrs. Annetta Cleveland, Stirling; Mrs. James (Fern) Down, Frankford, and Mrs. Keith (Betty) Thompson, of Frankford. His wife, the former Ethel Wilson, died in 1950.

Also surviving are one brother, Murney Stapley, Stirling, and two sisters, Mrs. Flossie Wilson, Holloway, and Mrs. Mina Smith, Stirling.

W. Lidster To Head Local Delegation To Assembly

Washington columnist Carl T. Rowan recently wrote: "We cling to the dream that we can have 'peace on earth, good will toward men,' but a realistic look at human behavior in all parts of the world raises the question of whether there is any hope for mankind."

Human behavior notwithstanding, there is no question about a hope for mankind and peace on earth among Jehovah's Witnesses. As an expression of their confidence, the Witnesses will soon be holding an eight-day "Peace on Earth" International Assembly in Buffalo, New York, and area Witnesses will be present as delegates.

Walton Lidster of R.R. 2, Frankford, presiding minister of the Stirling Congregation of Jehovah's Witnesses, will lead the local delegation to the assembly, which will be held July 6-13 in Buffalo's War Memorial Stadium. According to Mr. Lidster, more than 40,000 persons from all over the world will attend.

"The convention theme is most appropriate," Lidster said. "To Jehovah's Witnesses the expression 'peace on earth,' uttered by angels of heaven the night of Jesus' birth, is not an empty one. It is full of meaning and, for us, has already become a reality.

"As if to underline our confidence in the Bible's promise of peace on earth, the public lecture that will climax our assembly has been titled: 'The Approaching Peace of a Thousand Years'."

The convention is one of a series of international assemblies being held by Jehovah's Witnesses this summer in twenty-five principal cities around the world.

They brought to mind for me a Motto Plaque of school days which stated — "It's not whether you win or lose that matters, but how you play the game.

Have a good summer kids and we hope to see you and your friends again next Sept. 6th and Sept 5th if you are moving up to the Teen-Age League. We really look forward to seeing our bowling scores in the paper each week, so many thanks to The News-Argus staff.

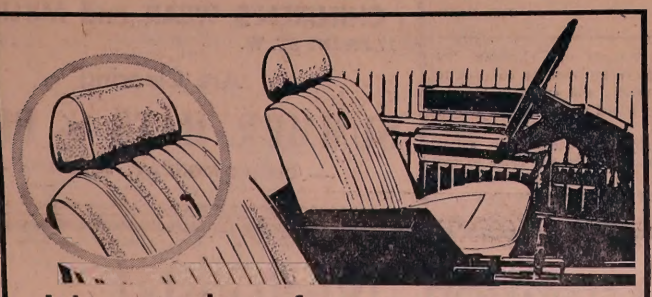
A farmer was assisting at the birth of his latest child. He was holding the lamp. When the doctor delivered three fine babies, the farmer suddenly left the room. "Come back here with the lamp!" yelled the doctor. "Nope," was the reply "Ain't comin back, Doc! It's the light that's attractin' 'em."



It's good as far as it goes....

The head restraints in 1969 automobiles are designed to reduce injuries due to rear-end collisions. Restraints should help minimize some of the unpleasant effects of these all-too-common crashes, but their causes can be dealt with only by drivers. There are a number of things you can do to help prevent rear-end collisions. Here are some of them.

Don't let yourself be crowded by the driver behind. If someone follows you too closely for safety, encourage him to pass — by pulling off the road if necessary. Signal your intentions — to make a turn, change lanes, or stop suddenly. Signal an intended stop by pumping your brake pedal to flash the brakelights.

Don't crowd the driver ahead — leave at least one car length for each 10 miles of speed. And remember that high speeds and poor weather conditions demand extra stopping distance. At night, or in rain or fog, allow for reduced visibility or decreased traction.

Limited-access highways have made higher speeds common. As a result drivers need to be especially wary of slow-moving or stopped vehicles. Stay alert—be particularly attentive near controlled intersections where vehicles ahead may be slowing, turning, and stopping. Watch for slower-moving merging traffic. Use acceleration and deceleration lanes to change your own speed when entering or leaving a highspeed highway. Prevent secondary collisions at an accident scene by getting off the roadway quickly if you decide to stop.

Be a defensive driver — constantly watch the traffic around you and plan for any foreseeable emergency.

Bata Honours Workers

At an impressive ceremony at York University in Toronto, on Sunday, June 22nd, ten Bata Shoe Limited employees living in the Quinte area received quarter century awards from Thomas Bata, head of the world-wide organization.

The presentation in the Winter's Auditorium was the highlight of a historical portrayal of 75 years of activity by the world-wide organization. The programme also included a fashion show with the company's latest designs displayed.

Attending on the occasion were 1,200 of the company's representatives from all over the world. The representatives have been taking part in a seminar sponsored by the company at the university.

Post Office Mail Times

Since the Post Office half-day closing was changed from Monday to Saturday, there seems to be uncertainty among the patrons as to the despatch of forward mail on Saturday.

In order to clarify this situation patrons are advised that although the post office wickets are closed on Saturday, the mails are despatched as usual.

Forward mail despatches are closed at 5.30 p.m. daily, except Sunday. (No Sunday Service). It is very necessary to have mail in the Post Office by 5.30 p.m. if it is to leave the same day.

8.30 a.m. to 12.30 p.m. — Saturday.

The Lock Box Lobby is open 24 hours (never closed). The main morning mail is sorted to Lock Boxes by 8.30 a.m. daily except Sunday, in normal times (Christmas excluded). There is an incoming mail in the afternoon which contains some Toronto mail, sorted to boxes by 4 p.m.

The wicket hours and despatch times are posted on the Lobby door in the Post Office.

A stamp vending machine is located at the north end of the Post Office next to the mail receiver. Books of 6c stamps for 25c are available at all hours.

Owing to no mail delivery in larger centres on Saturday, mailing early in the week is stressed, if delivery is to be effected the same week.
